

LETTER OF RECOMMENDATION

1st October 2020

TO WHOM IT MAY CONCERN

Please consider this letter to be my strong recommendation for Satwik Mohanty. During the time that Satwik worked for us at ForeignAdmits, he has always showed genuine concern and commitment to his work and the welfare of this firm.

He was one of the Machine learning interns at Foreignadmits and has shown good intercommunication skills with a high degree of diligence. He has also demonstrated the ability to articulate information and ideas to create very intuitive and actionable models and prototypes which has got us appreciation from Mentors and Industry Leaders. We are also delighted by the enthusiasm and accountability traits he had showed in all our projects.

It is with high confidence that I recommend Satwik for any position he feels in line with his career objective, skills and goals. Your organization will benefit by his valuable contribution. If you have any further questions, please do not hesitate to contact me. I will be more than happy to discuss Satwik's suitability to your company.

Sincerely,

Nikhil Jain
